☞ Profile

Yudo Anggoro completed his bachelor degree in Industrial Engineering at Bandung Institute of Technology (ITB) in 2004. After working at Citibank Indonesia for 2 years, he received full scholarship to pursue master degree in Management Science from School of Business and Management (SBM) ITB, and graduated as best student in 2009. In 2010, he received Fulbright Scholarship to enroll PhD program in Public Policy at University of North Carolina at Charlotte, United States.

Yudo is a teaching staff as well as member of People and Knowledge Management interest group at SBM ITB. His research interests are urban policy, transportation and infrastructure policy, public management, regional economic development, government performance, leadership, public economics and strategic management.
